ORDER

RICHARD J. SULLIVAN, District Judge:

On April 6, 2010, the Court received a letter from Plaintiff, advising the Court that Plaintiff and Defendant Bonica had reached an agreement to settle this matter and stating that the parties would soon submit a proposed judgment for the Court's approval.

The Court is now in receipt of a substantially identical letter dated April 29, 2010. The parties are of course under no obligation to settle, and they may take as long as they like to complete the settlement process. Until such time as this case is settled, however, all deadlines imposed by the Case Management Plan entered February 22, 2010, remain in place.
